PET ZONE

Perhaps you've notice these signs during your walks. Pet owners have the responsibility to care for their animals in a way that makes it a rewarding and loving experience for all.

Protect your pets by doing the following . . .

- Restrain your pet on a leash no longer than eight feet in length.
- Obtain a license for any domestic animal over three months of age from City Hall. Proof of rabies vaccination is required. The fee varies depending if the animal is spayed or neutered.
- Carry a litterbag with you whenever you are walking your dog. It is your responsibility to remove and dispose of any excreta deposited by your pet in a sanitary manner from the property of another, on public walks, streets, recreational areas or municipally owned property. Let's keep our neighborhoods beautiful as well as being environmentally safe.
- Limit your pets to no more than three.
